Compliance with current European regulations: materials in contact with foodstuffs.

Compliance is subject to conditions of storage, handling and use taking into account the respect of the characteristics of the material and the packaging referred to above. All information is given in good faith and for guidance only. It does not constitute a recommendation to use the product. It is the responsibility of the buyer to verify that the product is suitable for the intended use. All modifications or changes in operating conditions must be brought to our attention. All our products comply with the regulations concerning materials intended to come into contact with foodstuffs, as well as the regulations aimed at reducing packaging at a minimum.

A certificate of compliance is available on request.
